

Person-to-Person

Needed Now: Clothing Center August 2010

The season will be changing soon. While you are sorting through your closets, you will probably come across items you no longer want or need – including shoes and clothes that your children have outgrown.

Our clients appreciate the clean, gently-used clothing that is available to them – at no cost – in the P2P Clothing Center. And your donations help us meet the growing need for these items.

We hope you'll take the time to donate items that you and your family won't be wearing again.

We need clean, gently-used, seasonally-appropriate clothing, outerwear and footwear for men, women, teenagers, children and babies, e.g.

- Baby and Toddler Clothes
- Blouses
- Jackets
- Pants
- Shirts
- Shoes
- Skirts
- Slacks
- Sneakers / Athletic Shoes
- Sweaters
- Sweatpants
- Sweatshirts

And here are some examples of the household items our clients need:

- Cooking Utensils
- Dishes
- Glasses
- Pillowcases & Sheets
- Pots & Pans
- Small Appliances
- Towels
- Etc.

Plus ... we need shopping bags with handles so our clients can take their clothing home.

Our needs change often . . . Please visit again soon!
